About the programme

携手同行，持续发展 —— ITC-Alibaba.com全球发展中国家中小企业数字化贸易加速器项目

Join Hands for Sustainable Development — ITC-Alibaba.com Global Digital Trade Accelerator Program for SMEs in Developing Countries

国际贸易中心（ITC）由联合国（UN）和世界贸易组织（WTO）于1964年共同设立，是联合国系统内唯一专门致力于帮助中小微企业提升国际竞争力的多边机构，ITC承诺为促进包容性和可持续性经济发展，和实现联合国的可持续发展目标做出贡献。

ITC是中国国际进口博览会（CIIE）的官方合作伙伴之一。在中国商务部的大力支持下，ITC自2018年第一届中国国际进口博览会以来，已经支持了来自30多个发展中国家的200余家中小企业参展，通过组织安排商务对接活动，推广其产品和服务，帮助他们了解和把握中国市场提供的巨大机遇。

为应对新冠肺炎疫情带来的全球商务旅行受阻等挑战，从2021年起，ITC与全球知名的电子商务平台——阿里巴巴加强了合作。ITC与阿里巴巴联合推出全球发展中国家中小企业数字化贸易加速器、将中小企业连接到全球电子商务社区（ecomConnect）平台、支持发展中国家产品品牌建设与线上营销、帮助企业与包括中国买家在内的全球商业合作伙伴商务对接，并在电商能力建设、电商发展研究等方面展开深度合作。

The International Trade Centre (ITC) was jointly established by the World Trade Organization and the United Nations in 1964. It is the only international agency in the United Nations system fully dedicated to strengthening the international competitiveness of micro, small and medium-sized enterprises (MSMEs). ITC is committed to contributing to inclusive and sustainable economic development and to the achievement of the United Nations' Sustainable Development Goals.

ITC is an official partner of the China International Import Export Expo (CIIE). Since the first CIIE in 2018, ITC has - in collaboration with the Ministry of Commerce of China - supported over 200 MSMEs from more than 30 developing countries to participate in the exhibition. By promoting their products and services and organizing business matchmaking events, ITC helps these small businesses to take advantage of the vast opportunities the Chinese market offers.

In response to the challenges of the COVID-19 pandemic, including the disruption in global business travel, ITC and Alibaba have stepped up their cooperation. The world-renowned e-commerce platform and ITC have joined forces for MSMEs in developing countries through: the development of the Global Digital Trade Accelerator for MSMEs; connecting MSMEs to the global e-commerce community platform ecomConnect; supporting brand promotion and online marketing in developing countries; facilitating matchmaking between sellers and buyers both in China and worldwide; and capacity building and joint research on e-commerce."
