

Laureate for the Environmental category of the SIDS Partnerships Awards 2023

"ALLIANCES FOR A BLUER, GREENER CARIBBEAN (RIDGE TO REEF)"

A partnership between Jamaica's Alligator Head Foundation, ITC-Alliances for Action and Jamaica's Coconut Industry Board

Funded by the European Union and supported by the Government of Jamaica and the CARIFORUM Secretariat

We support the achievement of the UN SDGs

We develop partnerships for widespread impact

Environmental action from ridge to reef to uplift farmers in Jamaica

The Alligator Head Foundation works for fish filled seas, healthy reefs and thriving communities. This partnership fosters alliances for environmental stewardship that goes hand in hand with sustainable production and trade. We develop climate-smart solutions from ridge to reef to diversify economic opportunities for farmer communities that protect people and planet.
